Gaia School Visits

6th Oct - 16th Nov 2025

To coincide with the installation of Gaia, our Education Department are offering workshops which focus on aspects exploring our place in our world, to help pupils ponder the big questions of life here on our planet. This visit can support RE, Geography, Science and PSHE learning.

- An introduction to our responsibility to care for God's creation, to consider how our actions have impact on the sustainability of our natural resources.
- Activities will include exploring how we are linked to our environment, how our actions affect our planet and our responsibility to protect God's beautiful creation.
- Crafts - prayer bracelets, making a large collage from recycled materials with our chosen logo and message.

- Pupils will consider the theme 'Peace' and how all humankind seek to live in harmony with each other.
- Activities will include exploring how we make peace, how we ensure all have a voice in our communities and that traditions of people around the world are respected.
- Crafts - prayer bracelets, shells of Pilgrimage for our journey on this planet and peace pledges.
