The Council of Nicaea: 1700th Anniversary Conference

CONFERENCE

Fri 12th, Sat 13th & Sun 14th Sep 2025 | Various |  | £0-£30 [Book online](#)

Blackburn Cathedral, in partnership with Churches Together in Lancashire, is hosting a three-day ecumenical conference to celebrate the 1700th anniversary of the Council of Nicaea, exploring how the Church can address division through dialogue, compassion and shared faith.

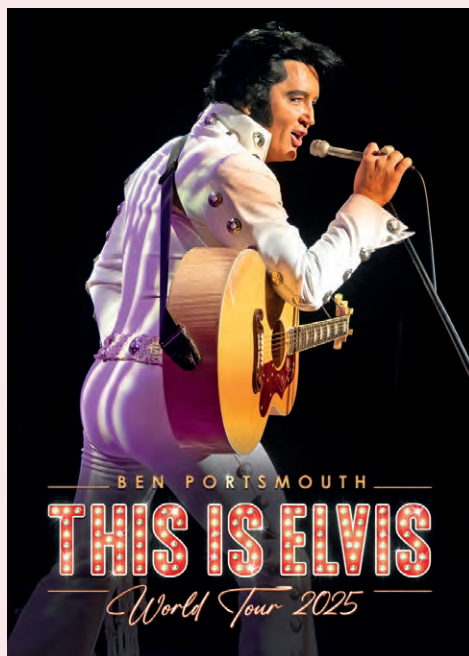

Bringing together theologians, ecumenical leaders and local participants to engage in meaningful conversations about unity, respectful disagreement and how faith communities can respond to conflict in today's world.

The conference opens with an in-depth exploration of the Nicene Creed, featuring responses from leading theologians and ecumenists. Participants can then take part in seminars, workshops and enjoy opportunities for open dialogue and networking, concluding with an ecumenical service in the Cathedral. On Sunday morning, Canon Dr Jeremy Morris, National Adviser for Ecumenical Relations for the Church of England, will preach at the Cathedral Eucharist.

This event is a space for thoughtful reflection, respectful exchange and a renewed commitment to Christian unity. It encourages not just theological agreement, but the practice of love across difference - showing how disagreement handled in grace can become a path to deeper understanding.

British Textile Biennial 2025

EXHIBITION

Thu 2nd Oct – Sun 2nd Nov 2025 | Blackburn Cathedral Crypt | [Check website for times](#) | | All welcome

The British Textile Biennial (BTB) commissions and presents work inspired by the context and legacy of the textile industry in East Lancashire and its global impact.

This Autumn, BTB25 explores invention and innovation in textile production; through indigenous knowledge to space-age technology. Blackburn Cathedral is delighted to be hosting: **Lucy & Jorge Orta - Homo Mondialis**.

This survey exhibition of the work of Lucy and Jorge Orta, across continents over thirty years from the Antarctic to the Amazon, reflects on humanity's impact and relationship with the planet.

This striking installation will occupy the Crypt, inviting us to travel from the South Pole through jungles, deserts and forests to reflect with them. At its centre, is a major new commission, House of Hair, which reimagines and reconstructs the traditional Bedouin tent as a speculative response to nomadic living in the extreme scenario of mass desertification.

For full details and opening times please see the British Textile Biennial website.

2026 marks a significant moment in the life of Blackburn Cathedral as we celebrate our Centenary. We have exciting plans to remember the past, celebrate the present and look to the future.

There will be a range of activities marking this period in the rich history of our Cathedral including celebratory events, art installations, exhibitions, concerts and thanksgiving services along with a number of special projects that bring our communities together.

Our plans to develop a year of truly memorable events are well underway and we are busy working on marking this important milestone. We'll look back on the past one hundred years as we work towards ensuring a legacy that lasts for the next century too.

Full details of this year-long celebration of the life and history of the Cathedral will be announced over the coming months, so please check the website and follow us on social media for latest updates.
