Evensong Introit words

If I take the wings of the morning and remain in the uttermost parts of the sea; even there shall thy hand lead me and thy right hand shall hold me.

Evensong Anthem words

They that go down to the sea in ships and occupy their business in great waters; these men see the works of the Lord and his wonders in the deep. For at his word the stormy wind ariseth which lifteth up the waves thereof. They are carried up to the heaven, and down again to the deep; their soul melteth away because of the trouble. They reel to and fro, and stagger like a drunken man and are at their wit's end. So when they cry unto the Lord in their trouble he delivereth them out of their distress. For he maketh the storm to cease so that the waves thereof are still. Then are they glad, because they are at rest and so he bringeth them unto the haven where they would be.
